

# LOADSTAR™

## ELITE SERIES

Considered the Best Down Gauge Film with its Superior Strength  
"The most innovative in the stretch film industry"

### Highlights:

### AMTOPP LOADSTAR THIN GAUGE HAND WRAP "HL" SERIES

#### New patented resins

This technologically advanced cast hand wrap is designed with a premium resin blend and manufactured on state of the art equipment.

#### Unrivaled load holding force

AmTopp Load Star hand wrap renders superior strength and enables maximum load holding force with minimal film usage.

#### Superior cling

AmTopp Load Star hand wrap exhibits unparalleled strength in lighter gauges, allowing extreme down-gauge opportunities.

#### Unsurpassed puncture resistance

It also possesses exceptional puncture resistance characteristics, equal to higher gauged films.

#### Low film neck-down

#### Superb economical value

AmTopp Load Star hand wrap provides the greatest load holding force with the least amount of film weight.

#### Excellent clarity

#### Quiet release

## ELITE SERIES

### AMTOPP THIN GAUGE HAND WRAP

#### Pallet Stretch Film Thin Gauge Hand Film

AmTopp Load Star thin gauge hand wrap is an engineered film offering the uttermost performance at light gauge.

AmTopp Load Star hand wrap provides the highest load holding force possible without puncturing.

Its exceptional puncture, superior cling and quiet unwind make it easy to work with, while the excellent clarity allows bar-code scanning capability at every stage in an automated handling environment.

Product	Thickness (Gauge)	Width (Inch)	Length (Feet)	Roll/Case	Net Wt/Case	Cases/Pallet	Net Pallet Wt (Lb)
HLB11540615M	45	16	1,500	4	17.2	32	553
