CERTIFICATE
RELATING TO AMTOPP POLYPROPYLENE FILMS
AND CONEG MODEL LEGISLATION FOR HEAVY METALS

August 2, 2011

Dear Valued Customer,

AmTopp hereby certifies that its BOPP plants (InteTopp™ products) comply in all respects to the package requirements for heavy metals of the CONEG Model legislation; namely, that the sum of the concentration levels of lead, cadmium, mercury, and hexavalent chromium present in the component packaging materials shall not exceed the following:

100 parts per million (ppm), by weight

The above mentioned four (4) heavy metals plus chloride, antimony, arsenic, barium, selenium, and silver shall not be intentionally added through the use of any chemical or additive used in the manufacturing of our products.

This compliance certification shall remain in full force and effect for all shipments unless and until it is revoked in writing.

This certificate relates only to non-printed/non-coated polypropylene packaging films.

For and on behalf of AmTopp,
Valerie Kaiser
