LTTYOXO1921W	0.5 Mil	12	7	20.5	1000	11.88	48	12	0.632

Features & Benefits

- Environmentally friendly Oxo-Biodegradable Bags
- Will break down within 18 months after exposure to UV light, heat, and oxygen
- HDPE film for added strength at low gauge
- 100% recycleable
- Biodegradable bags will break down into smaller pieces, and, in theory, will eventually completely degrade
- InteGreen Oxo Bags will ship 2 weeks after confirmed order
- Minimum orders are 128 cases per item

Applications

- Grocery stores
- Convenience stores
- Gift shops
- Shopping centers
- Restaurants
