Re: New Hire – Scott Griffin

Please be advised that we have hired a new Business Development Manager, **Scott Griffin** to assist us in developing new business for **Private Label** consumer trash bags. Scott is based in Alabama and has over 15 years of experience in the retail Private Label business and will report directly to me. He will focus on specific targeted list of accounts and will call on them exclusively for the Private Label trash bags category. Scott will assume this position as of April 1st.

Kindly let me know if you have any questions.
