

# AMTOPP HAND WRAP

## “HC” SERIES

### Features

- Retains a high holding force
- High tensile strength and stretch
- Excellent stretch on difficult loads
- Consistent quality and gauge control
- Excellent value for your film dollar
- Dependable performance

### “HC” Series

As a high performance hand wrap, the “HC” series film is designed to securely unitize irregularly shaped and difficult-to-wrap loads. With cling on both sides, this three-layer, cast, co-extruded film offers superior holding force for even the toughest loads.
