

Peak AmTopp Machine Film

AmTopp[®] Peak[™] machine film (EPB) is one of the films from our Premium Value Film Series. With One Side Cling (OSC), this three-layer, cast, co-extruded film is excellent for use on semi-automatic and automatic wrappers with less than 250% stretch. Can also be used on all load types and in both hot and cold environments. This film is suitable for stretch bundling applications.

Features & Benefits

- High tensile strength and elongation
- Excellent puncture and tear resistance
- Excellent holding force
- Suitable for a wide range of applications

Peak Machine Film
