## **BISPHENOL A and BENZOPHENONE STATEMENT**

January 19, 2019

101 Inteplast Blvd

Lolita, TX 77971

Tel: (361) 874-3789

Fax: (361) 874-3976

Dear Valued Customer:

AmTopp stretch films are made with Polyethylene resins, which do not contain Bisphenol A, and Benzophenone, and we do not add any Bisphenol A and Benzophenone in our film production process. So our films are free of these chemical components.

Rong Cheng
