

Letter of Compliance

Date: August 10, 2023

To: Valued Customer

From: Joe Wang – Global Sourcing Manager

Subject: Letter of Compliance of no Polyfluoroalkyl substances (PFAS)

Dear Valued Customer:

In response to your request for information regarding the use of PFAS (per and poly fluoroalkyl substances) in our products, please be assured that, to the best of our knowledge, the Food Service Products (Food Bags, PVC Film, Gloves, Aluminum Foil, Deli/Scale Sheets, and Reclosable Bags) that we supply to you do not contain intentionally added PFAS. No PFAS ingredient is used in the manufacture or formulation of the listed products. We do not, however, specifically test the products for the presence of PFAS.

Sincerely yours,

Joe Wang
