

# PET Deli Containers

## Get Reddi® Square Deli Containers

Inteplast's premium Get Reddi line of PET square deli containers provides great solutions to a variety of prepackaged fresh food and snack application needs. This line is perfect for freshly cut or dried fruit, nuts and candy, wet salads, salsa, guacamole, and hummus to name a few.

Five sizes and one universal lid delivers the right solution for every unique application. Made from crystal clear PET material, the Get Reddi line of square deli containers enable a durable, yet cost-effective package that protects contents while in transit, merchandises your product for store shelf display, and ultimately, increases sales.

High quality post-consumer recycled PET material is also available upon request.
